Thanks for submitting your site "telugujyothisham.com" for AdSense.

The team has reviewed it, but unfortunately your site isn't ready to show ads at this time. There are some issues which need fixing before your site is ready to show ads.

For more information, visit the '**Sites**' page in your account. You can find more details and application tips in the below video:

We encourage you to review and update your site. Once you've done so, you can request a review. Our specialists will review your site for compliance with our Programme policies, so make sure that you resolve all

of the issues.

Watch our '**AdSense Site Approvals**' video series to troubleshoot your policy issues and start earning money from your site.
